TRANSPARENCY IN BUNKERING FORUM

13 SEPTEMBER 2021

Norton Rose Fulbright - London

Billed as the first in-person bunkering event since lockdown, the first *Transparency in Bunkering Forum* will take place on the first day of *London International Shipping Week*.

The much-anticipated 'live' event will take place from 2:00-5:50 pm on Monday 13 September at leading maritime law firm Norton Rose Fulbright. All participants will also be invited to a spectacular reception overlooking Tower Bridge, the Tower of London, *HMS Belfast* and the River Thames.

The Forum will examine the highly-competitive, low margin business of bunkering, from initial enquiry, due diligence, banking, credit lines, credit and trade insurance. It will also look at how bunker licensing, digitalisation and technologies such as mass flow metering can help to streamline the bunker deal and enhance transparency throughout.
