

Media Kit

Maritime Week Americas

EVENT DETAILS

Date: 18–21 May 2026

Venue: InterContinental Miramar, Panama

Theme: Building resilience in a changing world

Format: **Flagship Conference Sessions** - strategic panels and expert discussions on resilience, market dynamics and fuel transitions.

Bureau Veritas VeriFuel Bunkering Workshop - practical, hands-on training covering standards, fuel handling, sampling and alternative fuels insights.

Networking Events - receptions, lunches, and curated meet-ups to forge new connections.

Building resilience in a changing world - the premier gathering for bunker buyers, suppliers, traders and maritime professionals across the Americas. MWA26 spotlights industry transformation driven by infrastructure growth, shifting trade patterns, alternative fuels, sustainability and digitalisation.

At a time of geopolitical uncertainty and evolving regulations, MWA26 provides a strategic forum to engage with thought leaders, explore new fuel markets - from LNG and biofuels to next-generation alternatives - and strengthen global networks.

- **Networking & Experience:** High-level networking events, specialist workshops, and unique engagement opportunities including a hands-on bunker barge visit.
