Maritime Week Africa 2026

EVENT DETAILS

- Date:** 20-22 January 2026 (Conference 21–22 January; Training 20 January)
- Venue:** Radisson Collection Hotel, Waterfront Cape Town, South Africa
- Theme:** Maritime Week Africa is back in Cape Town!
- Format:** A two-day conference, Liquid Cargo Business & Vessel Chartering course, two networking lunches, two evening receptions, and a post-conference boat tour of Cape Town Harbour.

Building on the discussions in Mauritius in 2025, Maritime Week Africa 2026 will reexamine the challenges facing South Africa as a viable bunkering hub and address wider environmental and geopolitical issues impacting African shipping. High-level contributions are anticipated from the Department of Transport, Transnet National Ports Authority, SAMSA, and the South African Revenue Service (SARS), alongside leading industry representatives.

The conference programme will cover both traditional and emerging fuels, new technologies and regulations, and market developments across Africa, offering a forensic look at the fiscal, legal, and operational challenges impacting South Africa's bunkering market.
